

Home Support to Classroom Learning

WHO IS iPREP PLUS?

- **iPrep Plus** is a company of educators who **know HOW** to help students get the results they are striving for
- Practicing and retired teachers, principals, associate superintendents, curriculum specialists, and provincial Teacher in Excellence Award winners are using their expertise and experience to develop **quality, effective, electronic review packages for students that provide home support to in-class learning**

WHAT IS iPREP PLUS?

- **iPrep Plus** is a unique **home support to classroom learning** for English 30-1, Social 30 -1, Biology 30, Chemistry 30, Math 30-1, Math 30-2, Physics 30, and Science 30
- All **electronic review resources of 50-150 pages and support videos, each 5-10 minutes in length**, are developed by **well-respected teachers with a reputation for excellence in teaching and achieving exceptional results with students in the classroom and on diploma examinations**

WHY SHOULD I BE INTERESTED IN iPREP PLUS?

- **iPrep Plus** provides you with a complete, structured, and comprehensive **review of course material and short video clips to help you understand some of the most challenging concepts of a course**
- For approximately the same cost as one hour of face-to-face tutoring, you can have **unlimited access to the resources for one iPrep Plus subject**
- **You and your school are responsible for 70% of your final grade** - maximize your potential! Use the materials at home to support your course review, class assignments, and exam preparation.
- **Take advantage of the iPrep Plus limited time, introductory price offer**

WHEN/WHERE CAN I GET THE iPREP PLUS SUPPORT RESOURCES?

- **iPrep Plus** electronic resource packages can be accessed **anytime, anywhere and on any device!**
- Log onto the **iPrep Plus** web site www.ipreplus.com for information and introductory pricing
- **Start using the resource review package immediately to help with classroom course assignments, unit tests, and quizzes. Use the materials multiple times for the cost of one hour of traditional tutoring!**
